# The Performing Arts Academy

The goal of the Performing Arts Academy is to provide quality performing arts education to elementary and middle school students in the metro-Milwaukee area who otherwise would not have access to such programs.

The Academy is comprised of a small group of dedicated Performing Arts educators who feel beholden to our founding patronesses, the School Sisters of St. Francis. The School Sisters have nurtured and shaped the musical and cultural scene of southeastern Wisconsin for over 100 years.

In the spirit of our founders, it is our dream to keep their doctrine alive and flourishing in the Archdiocese of Milwaukee.

The Performing Arts Academy is sponsored in part by
